FOR THE ATTENTION OF ALL LEAGUE SECRETARIES

Dear Secretary,

I would be obliged if you would inform all clubs in your League if they wish to run a tournament that they must first apply for permission to the Munster Football Association on an official application form. In accordance with rules all applications must be made prior to June 1st.

This form when completed by the club must then be signed by the League Hon. Secretary before being sent to the Hon. Secretary of the Munster Football Association.

If permission is granted the club will receive the form back bearing the Munster Football Association stamp and signed by the Hon. Secretary of the Association. This must then be produced to the local Branch of the Irish Soccer Referees Society before they can staff the games.

The local referees societies have been informed that they are **not** to officiate at any tournament games unless the organisers can produce the letter of authorisation from the Munster Football Association.

I enclose a number of application forms for your clubs use. You may photocopy them if you require more or you may inform clubs that these application forms are available to be downloaded from the MFA website at www.munsterfa.com and can be found under rules & administration.

Yours sincerely,

Gerard Delaney.
